

Fall 2024

Benton Irrigation District

Estimated Water shut off date: October 15

** Could be a week earlier or later depending on weather

→ **Winterization** ←

Flush your filter/strainer thoroughly before water is turned off.

PLEASE MAKE SURE TO OPEN ALL VALVES AND FILTERS IMMEDIATELY AFTER THE WATER SEASON. A

final cleaning of the filter should be done after water is off with lower drain open. If you need help call the maintenance line.

You will need to drain your personal line. If you have your system blown out, **MAKE SURE ALL VALVES ARE REOPENED.**

IF DAMAGES OCCUR DUE TO NOT OPENING OR DRAINING YOUR DELIVERY, YOU WILL BE CHARGED FOR REPAIRS.

We will winterize deliveries/open valves for elderly or disabled customers. Please call the maintenance line to be placed on the list. We do NOT blow out sprinklers.

Your Irrigation Bill

Irrigation assessments are sent out in January and due in April. If you expect your mortgage to pay, please verify in April that they have done so to avoid additional fees and water shut-off.

Easement Accessibility

There are easements throughout the District to service and repair the irrigation infrastructure. It is **VITAL** to have access to these easements **AT ALL TIMES** in order to perform the daily operations of the District. The District asks that property owners please keep all easements clear & free of any obstructions.

Please cut back bushes, especially Russian Olive, around your delivery to allow us to maintain them.

Thank you in advance for your cooperation!

Additional Water

We occasionally have additional water available. If you are not fully allocated and wish to be put on a waiting list, please call the office.

Notary Public

The Office Manager is a Notary Public and will notarize documents during normal business hours for no charge.

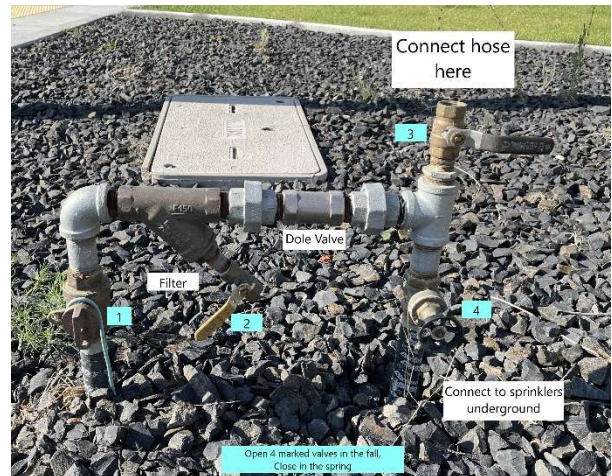

Tampering or Modification

Modification of the water delivery system is a prosecutable offense if modified without written permission by the Benton Irrigation District. Tampering and/or modifying a delivery could result in the following:

- Your water being turned off until the next regularly scheduled board meeting,
- Paying all the cost for repair, and
- An administrative fee of \$250 for the first offense, a \$1,000 fee for the second offense with possible prosecution and water shut-off for the remainder of the season.

DO NOT DISMANTLE ANY PART OF YOUR DELIVERY OR REPLACE PARTS OTHER THAN CLEANING YOUR FILTER.

Below is a basic delivery.

Board Meetings

Second Tuesday of each month at 3:00 PM
Fourth Monday of each month at 8:00 AM
Board meetings are held at the District Office
